

International Conference

Qualitative properties for nonlinear diffusion equations

Date: January 22 (Wed)- 23 (Thu), 2020

Venue: Graduate School of Mathematical Sciences
The University of Tokyo

Invited Speakers

Goro Akagi (Tohoku University)

Matteo Bonforte (Universidad Autónoma de Madrid, Spain)

Yohei Fujishima (Shizuoka University)

Yoshikazu Giga (The University of Tokyo)

Kotaro Hisa (Tohoku University)

Paolo Salani (Università di Firenze, Italy)

Masahiko Shimojo (Okayama University of Science)

Asuka Takatsu (Tokyo Metropolitan University)

Eiji Yanagida (Tokyo Institute of Technology)

Organizers

Kazuhiro Ishige (The University of Tokyo)

Tatsuki Kawakami (Ryukoku University)

Yasuhito Miyamoto (The University of Tokyo)

Contact

Yasuhito Miyamoto (The University of Tokyo)

e-mail:miyamoto[at]ms.u-tokyo.ac.jp

This conference is supported by the following funds:

JSPS Grand-in-Aid for Scientific Research S. No. 19H05599 (Ishige)

FMSP

(Leading Graduate Course for Frontiers of Mathematical Sciences and Physics, The University of Tokyo)

Graduate School of Mathematical Sciences
THE UNIVERSITY OF TOKYO
